Dear Governor Fallin,

On behalf of our five million members across the country, the National Rifle Association Political Victory Fund is proud to endorse your reelection for Governor of Oklahoma.

During your tenure as Governor you have repeatedly exhibited your support for the preservation of the Second Amendment. Your signature on Senate Bill 934, which allows legal guardians and persons acting with the permission of a parent or legal guardian to supervise youth in any hunting or shooting sport, provided an excellent opportunity for young men and women to participate in Oklahoma's rich heritage of shooting and hunting sports.

In addition to your service as Governor, throughout your tenure in Congress you consistently supported Second Amendment issues such as signing pro-gun congressional "friend of the court" briefs in both the *Heller* and *McDonald* cases. Your staunch protection of the Second Amendment has helped to guarantee a fundamental, individual right that protects all Americans.

Congratulations on your "A" rating and endorsement, and thank you for your steadfast support of the Second Amendment. Good luck with your reelection campaign, and we look forward to our continued relationship to advance the interests of Oklahoma's law-abiding gun owners and sportsmen.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris W. Cox".
